

OUR VISION

SVC is committed to

Equipping God's people by fostering a relationship with Christ.

Enrich everyone to mature in Christ.

Enlarging the Body of Christ through witnessing.

OUR MISSION

Focused on equipping the Body of Christ for service by encouraging everyone to hear God and speak to God regularly through worship, prayer, and meditation on God's Word individually and corporately, yielding to the work of the Holy Spirit.

Responsible for each other by acknowledging everyone's equal status in Christ, regardless of differences. Demonstrating Christ's compassion to those facing hardships and spiritual struggles (despite their background and affiliations). Recognising the local community's needs and dealing with them through partnership.

United in Christ with the bond of love established through fellowship and caring for each other. Accepting everyone with a non-judgmental attitude regardless of differences. Willing to serve, encourage and comfort others. Networking with individuals and communities sharing biblical faith, values and ethos.

Influenced by God's specific call, engage in God's mission actively, spontaneously, and passionately with accountability and cooperation. Effectively share the gospel with respect and sensitivity towards others.

Thriving Individually: Grow in Christlikeness by systematically learning and applying the principles of God's Word in all walks of life.

And Corporately: be a community guided by the Holy Spirit to help grow every segment of the body of Christ. Help each other to discover spiritual gifts and exercise them for the edification of the body of Christ with humility, led by the Spirit.

OUR CORE VALUES

1. Submissive to the authority of the Word of God.
2. Christ is the head of the Church, and the corporate body consists of members equipped for service through apostles, prophets, pastors, teachers, and evangelists.
3. Fully accepting the Lordship of Christ in all areas of individual life
4. Encourage every community member to practice integrity and transparency in all individual and combined activities of the church.

5. Maintain good relationships with like-minded believers, individuals, churches and organisations. Local fellowship is a family of individuals united in Christ and thereby united to the universal Body of Christ.
6. Always prioritise spiritual nourishment and discourage any activities or relationships that will hamper unity in Christ, brotherly love, and relationships with each other.
7. Actively engage in the life of the local community, indiscriminately offering necessary support driven by the love of Christ without expecting anything in return.
